**Bouquet:** Floral, Rose like nose with tropical fruit salad apparent with a good swirl.

**Palate:** Fruit driven wine that is light and elegant. Tones of honey suckle and fruit salad come through on the palate. There is definitely some sweetness apparent in this wine but it is well balanced and extremely appealing. A great wine on a warm day. This wine should be chilled. The 9.5% alcohol level is great because it won't overwhelm. This is Summer must!
