

LIBERATION - FREEDOM

Channelled by Rae Chapple for Lord Michael and Sananda

Are you at liberty to see yourself in your Perfectness?

Are you at liberty to see the finesse?

Are you at liberty to see duress - as Perfectness?

Are you at liberty to see - to acquiesce - to Perfectness, no matter what perceived mess you are in?

Are you at liberty to begin to see Perfectness - within everything - as a win win situation?

Are you at liberty to see such prophecy leads to Mankind's Jubilation and the Jubilation of All?

Are you at liberty to see? Are you free from all constraints - to realise you are all Saints?

Are you at liberty - free - to see that the ego mind is the only thing that binds you in imperfection? and - within that - the mind is Perfection too?

Are you at liberty - free - Perfectly - to be led to Me, by your Perfectness?
